Sun and Fun Camp

Are you looking for something fun and active for your child to do this summer? Are you looking for a summer day camp that will offer a variety of social, sport and movement opportunities within a group setting?

Consider the Sun Life Financial summer day camps offered through the Rehabilitation Centre for Children.

At our camps, children and teens experience fun-filled days structured to challenge their abilities and expose them to new activities with opportunities to learn new skills. Adaptations are made to enable everyone to participate at their own skill level. Activities include music, bocchia, biking, sailing, bowling, floor hockey and swimming!

The camp will run in one-week sessions. Campers can register for one or two weeks of camp. Space is limited to 14 campers per session. Registration cost is \$100.00 per week.
